CANCELLATION AND REFUNDS

Your registration for the Machine Aquatics program is not refundable once submitted and approved.

Parents are responsible for the payment of all fees for the full season.

Machine Aquatics offers several payment options to our families. However, if your swimmer does not wish to complete the season for any reason, parents are responsible for payment of the full amount contracted to Machine Aquatics.

The total cost of this program includes the registration fee, volunteer fee and training fees.

Machine Aquatics is not able to provide a refund for swimmers withdrawing from the team during the course of the season. All pool rental and coaching contracts are executed prior to the start of the season based upon our registration numbers. Exceptions will be made for military families leaving the area in service to our country and medical reasons with supporting documentation. If a swimmer decides to not complete the full season with Machine Aquatics, the family remains responsible for any outstanding fees.
